To All Families of Hawthorn West Primary School

This year HWPS will again be celebrating ‘National Tree Day’ treeday.planetark.org

For all schools participating, there is a special day known as ‘Schools Tree Day’ and this year it will be held on Friday 26 July.

HWPS will be one of 2500 schools Australia wide participating in this annual event, and we are encouraging all families to help us make it a wonderfully successful day.

This year, the aim is to plant one plant per child and a number of additional trees. The success of our plantings last year shows how the plants continue to improve the quality of the children’s play spaces, create a sense of ownership, nurture environmental awareness while enhancing the school’s biodiversity.

We are calling upon all families to help achieve this goal by making a financial contribution to help purchase the plants.

If your family would like to make a contribution, this can be done through the ‘Give Now’ link shown here!

Donations of $2 and above are welcome. To date, a total of $100 has been raised and a voucher received from the City of Boroondara for 50 plants from VINC Nursery.

We would also like to encourage any parents who would like to help plant the trees to email Rochelle at the following address rochelle.rudduck@bigpond.com

A schedule of planting times for each class will be announced.

Thankyou, from the Sustainability Committee

Let’s make ‘Schools Tree Day’ a fun and special event at HWPS!
